By signing below, I confirm that I have read and understood the above requirements for the In His Shoes Fast for Darfur. I understand that I will be without food for approximately 30 hours, but will be filling my spirit and learning about making a positive change in the world. I agree to be an active participant in the Fast with an open heart and an open mind. I pledge to raise at least \$150 to aid victims of Genocide in Darfur. I understand that if I break the rules and am asked to leave, the money I have raised will still be used to aid the suffering. I also understand that there may be a possibility of taking a field trip. I will not hold the Armenian Church Youth Ministries, and/or the In His Shoes organization and any and all of their governing boards, entities and organizations, nor any of their agents, responsible for any injuries that may occur during this period. I am entering into this program knowing what is expected of me and I agree to take full responsibility for my actions. I agree to have a great time, learn from this experience, and use my personality to positively contribute to this year's Fast for Darfur.
